

Beekley Medical® Awarded Vizient Contract for Full Product Catalog

Bristol, CT, November 7, 2022 Beekley Medical has been awarded a Vizient® contract for its full product catalog, allowing Vizient members access to enhanced savings on all Beekley Medical imaging, surgical, and radiation products.

Vizient is the largest member-driven healthcare performance improvement company in the country with a diverse membership and customer base that includes academic medical centers, pediatric facilities, community hospitals, integrated health delivery networks, and non-acute healthcare providers. Vizient membership represents more than \$130 billion in annual purchasing volume.

Beekley Medical is the world-leading supplier of skin markers for Mammography, MRI, CT, X-Ray and Radiation Oncology as well as other single-use disposable Class 1 and Class 2 medical devices for radiology and surgery. Elequil Aromatabs® aromatherapy for the clinical setting is a non-medical device that is used across the spectrum in healthcare and wellness facilities. All Beekley Medical products are designed to help improve clinical efficacy, productivity, cost-effectiveness, and the patient experience.

A US-based company headquartered in Bristol, CT, Beekley Medical is ISO 13485:2016 certified and prides itself on its reputation for outstanding quality, reliability, and customer care. All Beekley Medical products are backed with a 100% satisfaction guarantee and the company strives to always have product in stock that ships same or next business day upon receipt of purchase orders.

In addition to having access to enhanced savings through this multi-year agreement, Vizient members will also have access to Beekley Medical's ongoing educational materials and CE opportunities.
